

Athlone Education Centre School Challenge

Alphabet Add

- Give every letter of the alphabet a numerical value e.g.
A = 1 , B = 2, C = 3 , D = 4 and so on...
- Use these values to calculate the total value of each healthy vegetable:

Vegetable	Total Value
Pepper	
Tomato	
Garlic	
Onion	
Mushroom	

Question Time!

- Which vegetable has the lowest score?
- Which vegetable has the highest score?
- Try your own challenge with any group of your choice e.g. fruit, animals, trees, flowers, birds...
- Guess the highest and lowest values first and then check your answer.
- Is there a quick way of making a good estimate?
