

Easter Message For 6th Class from Bishop Michael

Children Waiting to Celebrate the Sacrament of Confirmation – Message from Bishop Michael

First of all I hope you and your families are all very very well. I am conscious that your Confirmation has been postponed after all the preparations both you, your teachers, you family and I had made. It is part of the many new things we have to do in these days to keep people safe and healthy. Please keep up the good work! Once schools re-open we will be in a good position to see when your Confirmation can be celebrated and we will definitely celebrate it once it is safe to do so. In the meantime, it is important that you continue your preparation from home.
