

4th Class Ms. Blade Work for 25th - 29th January, 2021

I hope everyone is doing well. I want to commend everyone on their great work at home. It is not easy to focus on your school work at home but you are doing great. Well done to everyone. I would like to encourage you all to keep up your contact with Seesaw. We will be moving onto new curriculum content this week. It will be easier to do a little each day rather than trying to catch up.

If anyone has any questions or difficulties please don't hesitate to contact me or the school.
