

Homework 18th-22nd May 2020

- **WELCOME TO A NEW WEEK EVERYONE!!**
 - **The theme for the next two weeks is all to do with The Jungle/Jungle Animals (There are some fantastic resources on <https://www.dublinozoo.ie/>. They even have live webcams of the animals - the kids will love watching!)**
 - **If you would like to contact me for any reason you can do so through Seesaw and/or by email; mslohan595@gmail.com. I really appreciate the feedback through the sending of videos and pictures. It's great to see them improve and grow while they are at home and I love giving them positive feedback. Hope this is giving the children a little bit of a boost too.**
- All activities posted on Seesaw this week are highlighted below.**
- **N.B. If you are finding it challenging to complete all activities from the table please do not worry. A little bit of **reading** (tricky words/reading book/reading over words in purple copy), **writing** (our news, handwriting, sentences) and some **maths** time will be enough. Other than that free play or play around our theme would be a great use of the 'school' time at home.**
