

Homework 27th April to 1st May

Thank you to everyone for engaging as much as you can! I love to see what the children are getting up to at home. Please do not hesitate to contact me on Seesaw or by email (emlohan@gmail.com). I am there to help in any way I can.

Hope you are all well and safe.

The theme for this month: We will work on the area of 'On the Farm'. There are really good, free resources on <https://rainbow.cjfallon.ie/#/units/junior>. They include interactive games, story and song that will help with vocabulary and oral language. 'On the farm' is 'Unit 10' on the website in the oral language section for junior infants.

- **Virtual School Hub is on every day at 11am and again at 4pm each day. There may be ideas and projects on this that the child may find interesting. Please feel free to go off plan a little if something catches their attention.**
- **News Today on Rte 2 each day is good for children to listen to in order to better understand what is going on in the world right now.**
- **Please keep an eye on Seesaw each day for videos and tasks. There will be 'A task a day' and you are invited to send either a video or picture back. Any comment/picture/video are always welcome.
(P.S. this is not compulsory)**
