- Summer Song: <https://safeYouTube.net/w/oEzK>
- Animals in the Ocean <https://safeYouTube.net/w/TKzK>
- Down by the Bay <https://safeYouTube.net/w/DLzK>

Science: Summer: Make a mind map all about Summer: what do you think of when you hear the word Summer, make a list. What A Wonderful World page 52/ & 53

How to keep yourself safe in the sun: Discuss then complete What A Wonderful World page 58

Bees: Watch this video all about Bees: <https://safeYouTube.net/w/9GzK> Watch this video in which Ms. Larkin (who is a beekeeper and a teacher) shows us how to care for Bees: <https://www.creaghsonline.com/news/our-local-environment-week-activity-1-all-about-bees>

Geography: Ocean Animals- before you watch the video: Can you name an ocean? Can you name some animals that live in the ocean?

Can you draw/paint/create a picture of an ocean animal (s) (Art) and describe the way they look? Does the ocean animal look unusual or can they do anything interesting such as they have tentacles, spikes or lots of legs! Watch this video: <https://safeYouTube.net/w/qMzK>

English/Phonics: This week we are practicing the sounds 'ou' and 'oi'

'ou' video: <https://safeYouTube.net/w/LCzK>

'oi' video: <https://safeYouTube.net/w/pDzK>

Make some words that start with ou/oi, make some sentences with these words. Try out these dictation sentences. Please call out the sentence and the child should try to write them into their copy.

- The coin is gold.
- The worm is in the soil.

Maths: We are continuing with Money this week. We are moving on to adding 2 sums of coins together. The children often find this quite tricky for instance if they are asked to add 2c and 1c together they sometimes count 2c as one coin rather than the value of 2 so they will say the total is 2c rather than 3c.

Busy at Maths large book pages 122-124, Busy at Maths small workbook pages 36, 37, 39, 40
